

Children's Book Drive

In support of March

Rotary Literacy Month

Start collecting books now for District 5320's annual Children's Book Drive. The children's books we collect will go directly to children so they can start building their own personal libraries. Experts believe that scarcity of books in the home is one of the biggest obstacles to literacy. Lets promote early literacy by making books part of a healthy childhood. Together we can make a difference.

The "how to":

- Collect new and gently used children's books
- Ideas for obtaining books include garage sales, friends and neighbors, member mini book drives at their business, sale section at a book store, etc
- Bring boxes of collected children's books to the District Assembly (Chapman University March 5) and/or the April president's meeting (Doubletree Hotel)
- Book drop off sites will be signed and located for ease of unloading from your vehicle
- Book pick up can be arranged for a sizable number of boxes
- call Julio Robles at (714) 285-2320 x303
- Questions contact Teri Snyder at (714) 731-2384 or terylsnyder@yahoo.com
