

Rotary Chili Cook-Off Instructions Saturday, Sept 8th, 2012

The following is information regarding participation in the Chili Cook-off at Angel Stadium.

Arrival Time:

To secure your reserved spot near the "Big A" in the parking lot at Angel Stadium and to assure that all Clubs are ready to serve chili tasting to our fellow Rotarians and their guests, we ask that you arrive at 3:00PM.

*** It is important that we have the names of those Members from your Club who will be arriving at 3:00PM to help set up your Club's area. Please send those names to Kevin Padilla (rotarykevin@att.net). Questions call Kevin (714) 305-2887**

Arrival Location:

Enter the Stadium parking lot at the **Orangewood Ave entrance**. The guard will have the names of those who have been listed by their Club (See Above Note). Proceed to the Big A parking lot area and you will see an area marked off with traffic cones. You will be directed to the area allotted to your Club.

Club Set Up:

Clubs should bring Pop-ups, tables and chairs to meet their needs and protection from the sun. All heating elements used to keep their earlier cooked Chili warm should be fueled by **propane only**. Be prepared to serve chili to tasters by 3:30PM. You will need a ladle to serve. The District will be providing the bowls and spoons. We ask that all Clubs participating in the Chili contest **include a list of the ingredients at their serving table**.

Close of Judging:

Clubs should discontinue serving at 4:50PM. The winners will be announced at 5:00PM. Best Chili will be selected by voting tasters (one vote per person) and will receive an End Polio Now Banner. Another Banner will be awarded to the Club which receives the most donations. Clubs will be encouraged to have a **"KITTY JAR"** at their table. Donations can be encouraged by bribing tasters with chili dogs, sausages, dessert, etc.

Reminder to your Club Members

This is a fundraiser for End Polio Now Campaign. Club members are urged to participate in the tasting and judging through purchase of a tasting bowl and voting ticket. Bowls/spoons/wristband and voting ticket will be sold for \$5/per person.

Rotary Chili Cook-Off Rules

Saturday, Sept 8th, 2012

On Saturday, September 8th, Rotarians are going to find out which Club in District 5320 makes the best darn chili.

The chili contest entry process is very simple. Just fill out the application; it can be found on our District web site at Rotary5320.org. The Club registration fee is \$50. If you have multiple chili aficionados in your club, you may enter additional chili recipes for the Cook-off for \$20 per each additional entry. There are no recipe rules/restrictions regarding what type or style of chili you wish to enter. Chili should be cooked off-site beforehand. We only ask that on the day of the contest, display a list of the ingredients and whether your chili is mild, medium or hot. Chili Cook-off registrants will have reserved spaces for their canopy, tables and chairs, and, of course, chili pot and stove. We would like the clubs participating in the Cook-off to set up at 3:00PM sharp. Tasting will start at 3:30PM when the general public is admitted to the parking lot.

Judging for the **BEST CHILI** will be done by the Rotarians and their guests attending the game who purchase a tasting wrist band. Chili tasting wrist band, bowls, spoons and voting ticket will be sold for \$5 and are good for as much chili as you can taste; or is that take? There is only one vote per person. The contest will end at 4:50PM.

There will an additional prize for the Club raising the most money at this event. Clubs can have a kitty where they ask for donations and bribe those tasting the chili with hot dogs, sausages, *ROLAIDS*, or whatever!

Registration revenue, all bowl sale proceeds and donations will go to the District's End Polio Now campaign. If you have any questions, please call Sterling Gary 714-437-7510 ext. 130
